

Vibrant Visions International's Complimentary Introductory Teleclass Schedule January 2011

Join us for a free introduction to the Path of XPR, a Path to emPower you to receive, develop and maintain the state of mind where all things are possible. Our time together is going to be highly interactive, lively, fun, and revealing. Please bring an open mind and/or your most skeptical questions. There is no preparation required for this event. Which tribe is yours?

- **Business & Political Leaders:** Are you called to make a difference as a business executive, a humanistic politician, or a governmental leader? Do you wish to bring forward a company, government and/or world that would operate from the heart instead of defending separation or scarcity? Are you seeking a sustainable solution to bridge the haves and have-nots and to constructively address societal health care and employee productivity issues?
- **Communication Wizards:** Are you a life coach or an executive coach? Might you be a genius at helping others, yet not quite complete on the path of helping yourself? Are you an artist painting, dancing or singing the divine? Does the level of service you provide to your clients absolutely demand that you would come from your centre of authenticity and "be the change" yourself?
- **Global and Ecumenical Professionals:** Are you called to be a preacher, a rabbi or a minister, a consciousness guru, a political or vegetarian activist, an ecumenical executive, a non-profit leader, or a global philanthropist? Are you devoted to bringing forward a new world based on good will to all? Are you passionate about serving a "green" mission of love, community and/or global awakening?
- **Spiritual Seekers:** Have you been pondering for a while now the BIG questions of life—who am I, where do I come, what shall I do, where am I going? Are you naturally attracted to topics such as cosmology, quantum and/or noetic sciences, holistic arts and transformation? Do you have a regular meditation practice, yet still have complaints?
